

## Product Specification Sheet

### Targus Retractable Phone & Ethernet Cord

Part #: PA225U

#### Product Description:

The Targus Retractable Phone & Ethernet Cord is a convenient, inexpensive alternative to bulky telephone and Ethernet cords. This retractable combination cord protects RJ-11/RJ-45 clips and puts an end to the tangles of loose cords. Simply pull one end and the cord easily extends up to 6.56 feet. A self-retracting mechanism makes it easy to reel the cord into its small and portable storage container, while the couplers can be easily stored in the unit's housing. This retractable phone & ethernet cord fits right in your pocket!

#### Product Features and Specifications:

- **Connect Anywhere:** Small and convenient; reels up in seconds
- **Ethernet or phone capable:** Quick-release couplers convert RJ-45 to RG-11 clips so your notebook will connect to analog modems or Ethernet networks
- **The right length:** An automatic spring-loaded retractable cord ensures the right amount of cord for whatever the use
